# WORLD MASTERS SKI ORIENTEERING CHAMPIONSHIPS

10. - 19. 01. 2020

## Get involved!

For the first time, the World Masters Ski Orienteering Championships will be part of the Winter World Masters Games.

**More than sport!** Cultural highlights, a spectacular mountain backdrop and state-of-the-art sporting venues are the ingredients for this winter sports festival. The competitions will take place in Seefeld, host of the 2019 FIS Nordic World Ski Championships. Located in the heart of the Alps at an altitude of 1,200 meters, the fantastic cross-country trail network will be part of brand new ski orienteering maps.
